ABOUT THE TOWN OF LAMONT

Lamont is located in the southwest of the Alberta HUB region and on the eastern border of Alberta's Industrial Heartland. The Alberta HUB is a partnership of communities, post-secondary educational institutions and business/industry meant to enhance the quality of life and economic interests of the region. The Town of Lamont is a vibrant community of over 1,700 residents, located on the western High Load Corridor to the northeast. The local economy is mainly agricultural based, with a growing impact from local industry. The Town is home to the County of Lamont administration and maintenance offices, and is home to one of two K – 12 schools in the county, as well as the regional health care clinic and hospital. Easy access to Elk Island National Park, along with an extensive local park system, hockey and curling arenas, provide for abundant recreational opportunities.

The Town of Lamont is a member of the Northeast Alberta Information HUB, which is the economic development alliance for Northeast Alberta.
