## ABOUT THE TOWN OF TWO HILLS

The Town of Two Hills is located in the southwest corner of the Alberta HUB region. Alberta HUB is a partnership of communities, post-secondary educational institutions and business/industry in northeastern Alberta meant to enhance the economic interests of the region. Two Hills is a perfect blend of town and country. With a growing population of over 1,400 and strategically located on Highways 36 and 45, Two Hills is the perfect place to raise a family and to enjoy an active lifestyle. Employment opportunities in the agriculture and oil and gas industries are excellent and business opportunities are endless. We are situated close enough to Edmonton to enjoy the benefits our capital city has to offer, but far enough to enjoy a contemporary lifestyle without the problems and congestion of big city living - just imagine living only a couple of minutes away from the downtown core.

The Town of Two Hills is a member of the Northeast Alberta Information HUB, the regional economic development alliance of Northeast Alberta.
