

Vegreville Regional Airport

The Vegreville Regional Airport is located 2 km northeast of Vegreville and is owned and operated by the town. The airport offers a non-congested, accessible location for general aviation with a 4,000-foot runway, a modern terminal and, weather permitting, fully operational 24 hours per day, 365 days a year.

The Town of Vegreville with a population close to 6,000 is a vibrant “Fibre Connected” community rich in culture. As the service hub for the area, Vegreville boasts top-class education, medical, cultural and retail services.

Vegreville is located on Highway 16, the twinned Trans Canada Yellowhead providing access to global markets via the western Port of Vancouver.

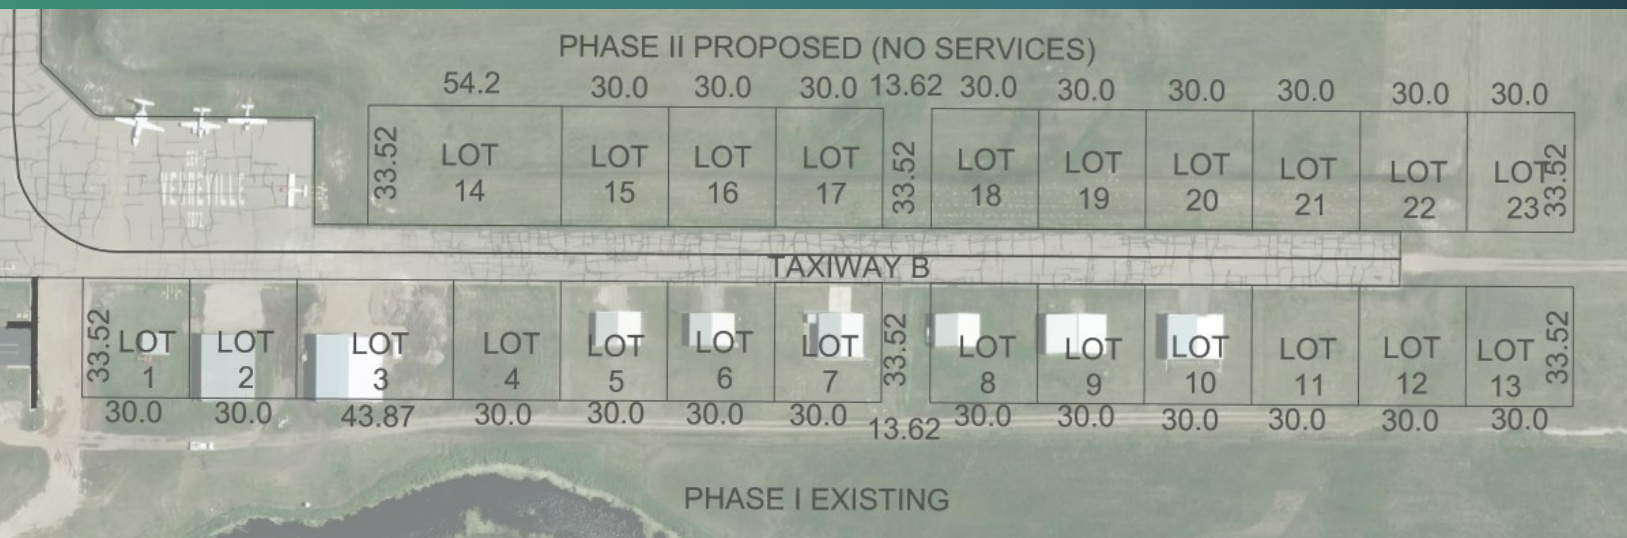

The Vegreville Regional Airport is an excellent location for:

- Fixed-wing flight school
- Helicopter Flying School
- Base for Unmanned Aerial Vehicles
- Applied Research/Commercialization

We are drone friendly which makes opportunities in UAV/BVLOS training and application into these industries and others possible.

- There are hangar lots available , 30m (wide) x 33.52m (deep), total 1,005.6 sq meters.
- Lot lease priced at \$0.47/m² (2021).
- Commercial Operating Fee (additional to lot lease) \$0.63/m² annually
- Temporary Commercial Occupancy Fee \$122.98/per day
- Access to power is available (at cost).

The Vegreville airport is located in a very prolific and diverse agriculture region offering numerous investment opportunities for research and commercial operations.
