

Smoky Lake Region is engaging with our residents and champions to encourage friends and family to consider our community for their new home!

Wouldn't you or your friends and family like to telework from here?

Photo: Steve Ricketts

Statistics Canada suggests that more Canadians will be working from home once the COVID-19 pandemic is over and nearly one-quarter of Canadian businesses expect that 10 per cent will continue to telework or work remotely post-pandemic.

## *Naturally Inviting Smoky Lake Region*

Move beyond the cookie cutter work world:  
buy a business, start a business, join a  
business, or do your current job from here.

We welcome entrepreneurs, professionals, trades and employees of all types.  
Our vibrant agricultural, tourism and service sectors continue to grow.

**SHOP: family owned and chain retailers**

**FOOD: it's all about food! Local fare, special events, farmers' markets**

**PLAY: spray and skate parks, playgrounds, sports and dance, multi-use trails, history and culture, golf, lakes, camping and adventures**

**LIVE: hospitals, professional services, health care, daycare, fire, ambulance, police, libraries, schools, and community learning services**
