

Athabasca County

CONNECTED TO GLOBAL MARKETS

Athabasca County has 673 farms and approximately 276,000 acres of land (2021) that produces a wide variety of outputs and has potential to be processed locally in a low-cost business environment. The agricultural land is less than two-hours from the Edmonton CMA consumer and distribution network. Leading product outputs include beef, poultry, wheat, canola, alfalfa, barley, peas and oats.

Agriculture in the County has seen moderate growth since 2016 seeing the most significant increases in the acres of barley (+22%) and all other tame hay and fodder crops (+11%). Hens and Chickens saw a 104% increase hitting 85,526 in 2021 and Bison jumped 37%.

Athabasca County has several major transportation routes including highway, bus, rail and air service creating a prime corridor for agriculture imports and exports to major markets.

The County is served by CN Rail and the Athabasca Regional Airport, with a 4,000-foot lighted runway. Major Highway 2, the Canamex Corridor, links north/south corridors from northern Alberta to Mexico and Highways 2, 55 and 63 link Edmonton to Fort McMurray. The Edmonton International Airport is only 120 minutes south.
